

April Preteen Newsletter

On Sunday's we are learning the **D6** curriculum which is being taught to all ages church-wide. You will be able to discuss the same topic that you learned in Adult Sunday school with your kids...making this a great opportunity for family discussion. On Wednesday's we are studying **Grow Through the Bible** which includes 52 Bible lessons from Genesis to Revelation. This curriculum helps them to learn the books of the Old & New Testament as well as stories in each book, soon they will be able to navigate through the bible with ease! If your kids have a bible have them bring it to class on Wednesdays if not, don't worry...we will provide one for them! Hello Preteen Parents!

I have been truly blessed by your kids in CCOFW's Preteen class! I look forward to building a strong relationship with each of them...they had my heart at hello.

Did you notice the new logo? Emerge...perfect for our motto and goals that we are working to achieve.

Empowering Motivated Excited Responsible Grounded Examples

As you know, they have a room especially decorated with a more "grown-up" feel about it, but we aren't finished yet... a TV has been installed to assist with learning videos and worship (thank you Aaron & Emily Christiansen for donating to the preteens!). In addition, Gary Fuller will be installing special lighting to further the preteen's worship experience. The Lord has great things in store for these kids and I'm excited to see their growth.

Side Note – please have your Preteen to come directly to their room before class, we are no longer checking-in at the Children's Church.

Sunday, April 16, 2017 – Easter Production

Happy Easter

The children's ministry will be putting on an Easter Production for the church congregation on Easter morning. I have not received any interest from the Preteens that they want to participate in the production itself, but we will be helping the nursery children at the end of the production to walk the babies to the alter to give Jesus a lily. Please have them meet in the Preteen room as usual before church begins. Once the production is over we will go back to the Preteen room for our lesson. I will be discussing leadership with the youth, and the importance of participation in group productions for the future.

Friday, April 28, 2017 – Preteen Pizza & Game Night

Preteen's Pizza & Game Night! I can't wait to be able to fellowship with them and spend time just getting to know them better! Please let me know if they plan to attend so I can make sure we have plenty of food. Have them bring their favorite game to share with the group!
